

### PREPARING FOR YOUR PET SCAN:

In order for us to acquire a good PET scan, you **MUST** observe the following:

- Do not eat or drink anything for 6 hours prior to your scan.
- No gum or candies.
- Only plain drinking water (no vitamin/sugar water)
- You may take any of your regular medications, unless they contain caffeine.
- Wear loose, comfortable clothing without any metal, such as a track suit.
- Do not exercise for 12 hours prior to the scan, and minimize your physical activity.
- Please allow for 2.5 to 3 hours for your entire appointment at CareImaging.  
It is very important that you arrive on time.

Please note: Should you need to cancel or reschedule your appointment, you must notify CareImaging no less than **72 hours prior** to your appointment.

Should you cancel, reschedule, or not show up for your confirmed PET Scan you will be billed \$500.00 if you do not notify CareImaging 72 hours prior to your appointment.
